## POLICIES

- Your tuition payment reserves your time in the studio schedule throughout the year.
- Lessons cancelled by the student will not be refunded—only teacher cancellations can be refunded. Make-up lessons are solely at the availability and discretion of the teacher.
- Lessons can be discontinued at any time with two-weeks' notice.
- Lessons are held at St. John's Episcopal Church on Floral Avenue. It is possible in some cases for me to teach at other locations or a student's home; compensation for driving will be determined on a case-by-case basis.
- Please drop off students no more than ten minutes before the lesson time, and do not disturb lessons in progress. Parents are welcome to stay during the lesson.
- Consistent practice is required for progress and effective lessons. The student and I will agree on the appropriate amount of daily practice time according to age and skill level.
- There is no guarantee of availability after a break of more than two weeks due to sports, etc.
- Please give notice of your intent to continue lessons each August.
- Lessons during June, July, and August are scheduled according to mutual availability with no weekly commitment, at the drop-in rates above.
- Finally, it is important to have a serviceable instrument for home practice. Pianos should be tuned and otherwise maintained once a year at the least. If a piano is in poor repair, or if repair would be too expensive, a digital piano might be preferable.
